### **Press Release**

#### **RailTel Celebrates International Women's Day.**

**It is necessary to recognize the contribution of women in building society and the nation: Shri Sanjai Kumar, CMD, RailTel.**

\*\*\*\*\*

RailTel, a Mini Ratna PSU under the Ministry of Railways, celebrated International Women's Day at its corporate office in New Delhi and regional offices across the country.

As a part of the celebration, an interactive session on skincare and nutrition for healthy living was held by reputed experts Dr. Sumit Gupta, associate consultant in dermatology, and Ms. Mukta Vashisht, consultant dietician both from Sir Ganga Ram Hospital, for the female employees of RailTel.

Speaking on the occasion, Shri Sanjai Kumar, chairman and managing director, said, "It's the day dedicated to celebrating women's achievements in various fields. India is one country that has been emphasizing women's empowerment and has taken several steps in that direction. It is necessary to recognize the contribution of women in building society and the nation. The women's workforce at RailTel has been at the forefront of all activities of the company and has excelled in achieving desired goals. I wish them all success."

**International Women's Day** is celebrated on March 8 every year to highlight issues concerning women's rights, equality, and violence against women. The aim of this day is to not only highlight women's issues but also to encourage and unite everyone in advocating for gender equality.

#### **About RailTel:**

RailTel, a "Mini Ratna (Category-I)" Central Public Sector Enterprise under Ministry of Railways, is one of the largest neutral telecom infrastructure & ICT Solutions & Services providers in the country, owning a Pan-India optic fiber network covering several towns & cities and rural areas of the country. Along with a strong & reliable network of 61000+ RKM of Optic fibre, RailTel has two MeitY empaneled tier III data centers as well. With its Pan India high capacity network, RailTel is working towards creating a knowledge society at various fronts and has been selected for implementation of various mission mode projects for the Government of India in the telecom field. RailTel offers a bundle of services like, MPLS VPN, Telepresence, leased line, Tower Co-location, Data center services etc. RailTel is also working with the Indian Railways to transform railway stations into digital hub by providing public Wi-Fi at railway stations across the country and 6108+ stations are live with RailTel's RailWire Wi-Fi.
