

**Dated- 24.05.2019**

**Sub- Press Release - RailTel Held 105<sup>th</sup> Board Meeting at Chandigarh**

RailTel Corporation of India Ltd held its 105th Board of Director's meeting at Chandigarh on 24.5.2019. The meeting was presided by Sh. Puneet Chawla, CM/RailTel. RailTel's Board deliberated on the various matters and also noted the current status of proposed listing of RailTel's share on the stock exchange. Government of India has already approved RailTel's listing in stock exchange and the IPO of RailTel is due this year.

Along with other projects RailTel is working as the Managed Service Partner of Haryana State Wide Area Network (HSWAN) which connects 23 Districts and 124 Blocks powering various government and citizen service applications being delivered over a common network backbone. The Haryana SAWN supports data, voice and video, and enables the State to implement various e-Governance initiatives with an aim to fulfil the national E-Governance Mission. RailTel Corporation a "Mini Ratna (Category-I)" PSU is one of the largest neutral telecom services providers in the country owning a Pan-India optic fiber network covering all important towns & cities of the country and several rural areas. Along with a strong & reliable network of 50000+ RKM of Optic fibre RailTel has two tier III data centres as well, RailTel is at the forefront of providing nationwide Broadband Telecom & Multimedia Network in all parts of the country in addition to modernization of Train operations and administration of network systems for Indian Railways. With its Pan India high capacity network, RailTel is working towards creating a knowledge society at various fronts and has been selected for implementation of various mission-mode Govt. of India projects in the telecom field. RailTel offers a bundle of services like, MPLS-VPN, Telepresence, Leased line, Tower Co-location, Data centre services etc,. RailTel is a pioneer in transforming Railway stations into Digital hub by providing public Wi-Fi at major Railway stations. Currently 1600 stations are live with RailTel's RailWire Wi-Fi.
