### **Press Release**

#### **GM/ WR inaugurates Hospital Management Information System (HMIS) at Jagjivanram Hospital, Mumbai**

**Sh. Alok Kansal, GM/ Western Railway, inaugurated the Hospital Information Management System (HMIS) at Jagjivanram Hospital, WR, implemented by RailTel.** Senior Railway officials, Doctors and RailTel officials were present on this occasion.

RailTel, a miniratna PSU of Indian Railways, has been entrusted with work of implementing Hospital Management Information System (HMIS) at 125 Railway health facilities and 650 polyclinics across India to bring the entire hospital management on a single architecture to provide faster and better healthcare.

RailTel has also developed 'Railways HMIS' app to integrate with HMIS. This app enables teleconsultation to help patients get treatment virtually for generic ailments. It also enables medical beneficiaries to access all their medical record at one place.

Speaking on the occasion **Sh. Alok Kansal GM/ WR** said "During this pandemic time, digitized healthcare is the need of the hour to provide seamless service. HMIS solution is going to cover the entire gamut of Hospital Administration with around 20 modules that are relevant to Railway Hospitals including Clinical, Patient Services & Ancillary Modules viz OPD, IPD, Labs, Pharmacy, Referrals, Medical Examinations, Sick-Fit Certifications, Reimbursement of Medical Claims etc. Through the 'Railways HMIS' app, patients will also be able get virtual consultations which will not only save them from Covid exposure but also minimize footfall in hospitals."

Talking about the project, Sh. Puneet Chawla, CMD RailTel said, "HMIS project implementation is a priority item for us to support the healthcare system during this ongoing pandemic. We have already completed work at 156 Hospitals/Healthcare units across India."

#### **About RailTel**

RailTel a "Mini Ratna (Category-I)" Central Public Sector Enterprise, is one of the largest neutral telecom infrastructure providers in the country owning a Pan-India optic fiber network covering several towns & cities and rural areas of the country.
