

## **Hon'ble Minister flags off trains remotely from New Delhi through RailTel's Telepresence Service**

Continuing with the trend of using Telepresence to flag off trains remotely, Hon'ble Minister for Railways Shri Suresh Prabhakar Prabhu, flagged off 8 trains from Rail Bhavan, New Delhi itself through RailTel's Telepresence Service. Hon'ble Minister flagged off the trains starting from Paradeep, Gunupur, Hatia, Tirchendur, Mannargudi, Jaynagar, Ferozpur and Byndoor over the Telepresence (TP) service provided by RailTel, the Railways's ICT arm.

RailTel has come up with this high tech service of providing Telepresence on opex model where the client doesn't have to the investment on buying or setting up the equipments which makes RailTel's service most cost effective for the customers. Telepresence service provided by RailTel offers a more engaging video conference with cutting edge technology, so that the parties involved feel the immersive presence of participants at different locations. The service is designed to improve collaboration, save executive time, reduce costs and carbon footprint with no capital investment and obsolescence risk
